DMG Letter 13/05
July 2005

Dear Decision Maker

SPC – Payments of capital from The Red Cross/GLA London Bombings Relief Charitable Fund (LBRCF)

The LBRCF has been established as part of a co-ordinated approach to the financial support of victims and families of the bereaved as a result of the London Bombings. Interim payments of £5,000 will be made to people who have been bereaved and £3,000 to those who were seriously injured, which is defined as being hospitalised overnight.

Note: If any case is received where a payment from the Fund has been made, please refer the case to ACI Leeds for advice before the case is decided.
